Relationships and Sexuality in Teens and Adults with Developmental Disabilities FOR PARENTS

Relationship and Sexuality Training will be held at Spaulding Rehabilitation Hospital in Charlestown. This program features strategies to have conversations about relationships and sexuality and is based on years of research as well as facilitating groups for teens and adults with developmental disabilities.

TOPICS WILL INCLUDE:

- Relationships Personal Boundaries
- Enhancing Self Esteem
- Body Rights
- Appropriate Identification and Expression of Feelings
- Personal Safety Skills
- Touching: Appropriate and Inappropriate
- Sexual Development and Education

Speaker: Paula Thompson, LICSW, Program Specialist, EMARC

Paula has over ten years of experience working with individuals with developmental disabilities. Over the past ten years Paula's experience includes; Assistant Director of Emarc's Family Support Center, running DESE/DDS programs at EMARC and completing the DDS Sexuality Education Train the Trainer at the Hogan Regional Center in May 2010.
